

Mr. Paul V. Walsh

Associate Deputy Director
for Intelligence

Paul -

Attached, prepared by [redacted] C/Prod
Grp, is for your information.

This action plan looks OK to me; I have told Jerry that I would prefer we break the news to our JPRS in-house contractors on a Monday or Tuesday, not on a Friday, so as to be in a better position to deal with any serious reactions. (We don't expect any.)

If you have had any further thoughts on a seal for the JPRS cover, it would be useful for us to know.
